A Working Bibliography of Monographs on History of Childhood and Related Histories, 2010–2025

This dataset offers a bibliography of selected scholarly monographs in the history of childhood published between 2010 and 2025. It brings together works from different regions, languages, and thematic areas as a provisional reference resource for orientation within the field.

The dataset centers on research monographs, with a small number of edited volumes included. Each record provides basic bibliographic information, and in some cases simple thematic or regional tags added by the compiler to assist navigation. The selection is partial and reflects both the sources consulted and the practical conditions of compilation. This release is a frozen snapshot (Version 7, March 2026). The archived version for citation is available via Zenodo (DOI: https://doi.org/10.5281/zenodo.19229539). The underlying Zotero library remains in progress at http://zotero.org/groups/6280035 and may include subsequent additions or revisions.The dataset is distributed under a Creative Commons Attribution 4.0 International license (CC-BY 4.0). Users are encouraged to cite the archived version where appropriate. Suggestions and corrections are welcome.
